RE: Ron Miranda

Ron Miranda has asked that I write a letter of recommendation based on our professional association over the past four years. I've have found Mr. Miranda to be extremely hardworking and intelligent as well energetic to perform and carryout his job responsibilities that our assigned to him.

Mr. Miranda's main responsibilities at our company were to open new business in the greater Los Angeles area. From time to time he went out of his way to open National Business for the company with great success. It is very unfortunate that our company had to eliminate Mr. Miranda's position and the division that he was a part of.

He is an asset to any organization. I would recommend him without reservation.
